Dear The Lounge,

I always get away from the total fucking misery of the British winter in February by booking a cheapo holiday to Greece. The minute I get there I love to get rid of those winter blues by lying on the balcony of my apartment totally naked because there's nothing like the feeling of warm sun beating down on my tits and fanny to make me feel really good. Apart from the feeling of a good hard cock ramming deep inside me, of course! I usually get plenty of that when I'm on my winter break, too. In fact, my holiday to Tenerife last year was particularly memorable because I'd only been out on the balcony for about 10 minutes on my first day when I started getting a load of wolf whistles from a couple of lads over on the other side of the complex. When I looked up to see who was making all that noise I saw these two fit-looking blokes ogling me by sharing a pair of binoculars, while cheering and swigging from a bottle of vodka. They'd obviously been at the booze for a while, but were lively rather than pissed. And I have to say they both looked pretty fit. I stood up, grinned, waved back and gave my tits a little shake just for them. I've never been a shy girl and quite fancied having a bit of fun with these two. So I slipped a sarong on and started to beckon them over.

Within two minutes, there was a knock on the door, and I let the two boys in. I'm not one to stand on ceremony. If I think something, then I

just come out and say it.

"So, you liked the look of me, did you?"

I asked. "Who wants some fun, then?" I let the sarong slip to the floor so that I was totally naked again – except for my flip-flops, actually. I've often found that guys tend to lose their bottle when they're confronted by a woman who's as upfront as me

**“ I was shooting what felt like half a gallon of hot sticky spunk deep inside her.”**

about sex. Not these two, though. Within 10 seconds, the two of them were out of their shorts, two cocks sticking in their air like they were totally prepared to use them. And I wasn't disappointed. Before you could say 'casual sex' I was buried on the apartment sofa, arse in the air with one dick in my pussy and one-up my willing arse. I'm a big fan of anal, and your man really seemed to know what he was doing, rimming me expertly and with total confidence. Meanwhile my pussy was wet and tight, stuffed full of the other lad's cock as he rogered me with just as much enthusiasm as his mate. It was quite a way to announce my arrival on holiday, that's for sure.

It didn't take long before my pussy was filled with hot spunk, and after a few more seconds, I felt the dick spring out of my arse and spatter hot jizz all over my arse cheeks. Very satisfying.

We shared a bottle of wine, laughing and joking about how we didn't even know each other's names, but we all agreed that the spontaneous sex was some of the best any of us had ever had! Now you can see why I can definitely recommend getting away from it all for a bit of sun, a touch of sea and plenty of sex.

Amy, Northampton.

Dear The Lounge,

The woman who serves behind the counter in our local paper shop is what people like to refer to as a 'mature' lady. Which in this day and age tends to mean anyone over the age of 30! Anyway, I don't give a shit how old Wendy is. All I know is that I'm 22 and she's got the fittest body I think I've ever seen; tight stomach, long legs, lovely pert tits, not an ounce of fat on her. Her husband, Brian, is a lucky man. And I should know because last week I ended up fucking her at the back of the shop.

I'd nipped into the newsagent's on my way home from work at about seven to pick up a local paper. Wendy was just about to close and had already locked the door. She recognised me as one of her regulars, so quickly opened up and then locked it again behind her so that no-one else would be able to come in to stop her shutting up shop.

"I think I've got a couple left in the back," she said when I asked for the paper. "Let's go and have a look." She wandered through to a little storeroom at the back of the shop. I followed

and walked into the room just as she was bending over a huge pile of papers trying to reach the one I wanted. As she bent over, I couldn't help catching a glimpse of the tops of her stockings. I do love a woman in stockings – I always think it makes

them way more sexy – and Wendy was already very sexy, even without this little extra tease. She turned her head around to tell me something or other about the newspaper and clearly caught me copping an eyeful of her stockings. She smiled, but didn't say anything.

Back out in the shop I handed over a couple of pounds for the paper, and when she gave me my change back her hand definitely lingered a little bit longer than normal in mine. "Thanks," I stammered, at which point she took me by the hand and led me back into the storeroom, making sure she pushed the door shut behind her. She kissed me full on the lips and felt my by-now rock hard prick in my pants. I was so excited I could barely stand, but Wendy quickly had my dick out of my trousers, was down on her knees and was sucking me off with great slow motions all the way down to the bottom of my shaft. It was incredible; this older woman I'd been lusting after from afar was suddenly giving me the most amazing blow-job ever. I didn't want to blow my load straight away,

so gently eased her off my cock and lay her down on a pile of papers. All I had to do was push her skirt up over her thighs and bunch it up around her hips, then pull her little panties to one side and there she was, her pussy glistening with juices and ready to take my full length. I whipped my pants and T-shirt off, then lay on top of Wendy and slipped my cock deep inside her. Her pussy felt so amazing it was all I could do not to spunk deep inside her straight away. Somehow I managed to hold myself back though, and started to move up and down inside her, slowly at first, then more quickly as I got more and more horny. She was groaning slightly and playing with her clit with one of her hands.

That only turned me on all the more and within a couple of minutes, I was shooting what felt like half a gallon of hot sticky spunk deep inside her. It was the ultimate quickie and didn't last more than three or four minutes, but it was such intense sex that after we were done both of us collapsed on the pile of papers, totally worn out by our exertions.

This all happened a couple of weeks ago, and I have to say it's been a bit embarrassing nipping into the shop since then. Brian's always so friendly, but I'm not sure he'd be quite so nice to me if he knew that I'd fucked his missus. Wendy's just as friendly as ever, but I catch her eye now and again and think that she's definitely looking forward to another unplanned shag. And no matter how nice a guy Brian is, I know there's no way I'll be able to resist her the next time I get the chance to fuck her.

**T**he stunning Lacey Jay has a charming habit of getting a little bit 'excited' on photoshoots.

Spreading her legs and pussy doesn't just turn us on – it turns her on as well.

"Oh god, I've got pussy juice on the sofa haven't I?" she asks, aghast.

Don't worry, it'll wipe right off. Just leave it to us after you've done the shoot. We're happy to do it.

"Erm, are you going to lick it up?"

Busted. Is that disgusting? "No, but it's a bit pointless. Why not get that tongue over here right now and taste it straight from the source..."

Please be upstanding!

## Babes on Wheels

Private

**Starring:** Natalia Starr, Alexis Crystal, Anna Polina, Sofi Goldfinger.

**Synopsis:** "Alexis Crystal is a journalist with her entire career on the line, and a streak of bad articles

has left her needing a big story to stop being fired. While searching the city, she finds it in the most unlikely of places... the roar of a motorcycle cruising by gives her the perfect idea, to join a biker gang. Danger, excitement, thrills, it surely has it all as Alexis embarks on the ride of a lifetime. The keys to her adventure lie with Sofie Goldfinger & Jesus Reyes, who she must convince with a wild threesome to let her join. Once in she will meet the fiery Anna Polina, a biker chick that demands DP from her husband, and the stunning Natalie Starr, a lone rider that wants back in and will fuck

for courses and all that, but that's a little niche, even for me. But no – wheelchairs don't feature at all in this flick, which is, rather, themed

her way to get there. But that's not all, this gang has so much more to offer that Alexis won't want to go back, so fire up your engine and prepare to go full throttle in Private Gold, Babes on Wheels." *Courtesy of Private*

**Verdict:** I was a bit dubious about this one when I first heard the title? Could, I wondered, I be about to review my first wheelchair fetish porn movie? I mean horses

around a gang of motorcyclists and their carnal proclivities! Things kick off with an interracial threesome in which she's joined by Sofi on her quest and during which Alexis more than proves she's a bad girl by taking a solid anal drilling. Meanwhile, Anna provides a good distraction with an eye-pleasing DP and Natalia takes a backdoor rearing in a workshop. All good, solid scenes that don't leave you feeling short-changed

## Jasmine Jae: No Holes Barred

Evil Angel

**Starring:** Darwin Slimpoke, Filthy Rich, Isiah Maxwell, Jake Jace, Jasmine Jae, John Strong, Jonni Darkko, Jovan Jordan,

Juelz Ventura, Ryan Ryder and Markus Dupree.

**Synopsis:** "Every so often, director Jonni Darkko singles out a favourite female performer for a hardcore showcase of her perverse talents. 'Jasmine Jae No Holes Barred' presents the titular British brick house in all of her glamorous MILF glory taking on gangs of huge cocks in every combination, and using her righteous butt and enormous, round knockers to full advantage. Seven men fill her mouth with

whipped cream, thick lube and dick in a relentless face fuck, leaving Jasmine a wet mess.

She joins fellow bikini babe Juelz Ventura for a nasty foursome of ass fucking and double anal penetration with well-hung Markus Dupree and Ryan Ryder. Both sluts end up slathered in spit and cum. Moe 'The Monster' Johnson and Slimpoke sodomise Ms Jae with big black cocks; they scoop out a pussy creampie and feed her the goop! Jonni and Ryan add their loads to her face. Markus, Moe, John Strong and Jovan

Jordan team up on Jasmine for double penetration and a blow bang. The nasty whore swallows surplus sperm. Darkko stuffs a lot of action into four hours, and into Jasminel!" *Courtesy of Evil Angel*

**Verdict:** What can we say? Jasmine Jae has surpassed herself this time, taking no holes barred and how much you put in them to a whole new level. This is some filthy stiffening stuff with a seven dick interracial blow-bang. Yes, people seven! Well, and a Magnum by the looks of things, but Jasmine handles them all and gets drenched in spunk. A must see from director Jonni Darkko.

**Y**ou'd think social distance photography would be a doddle, but as it turns out, it has its own set of problems. When this month's cover girl Ella Hughes came into our studio, the photographer

had to quickly go and get a longer lens, so we could capture the thrill of her juicy pussy to share with Club readers, which as you can see is not one to be missed. The show must go on as they say...

**D**olly is channelling her inner pin-up to significant effect, I must say.

"I love all those old movie stars, they really knew how to do glamour, not like today were people strut about in jogging bottoms all the time. There was something really magical about that time in Hollywood. Women were women and men were men."

So you like your chaps maddeningly handsome and tailor dressed.

"I certainly wouldn't mind a snappy dresser, and I like a man who's confident."

I'd better hook out that dickie bow then .

## CHUG CHALLENGE!

There's a bird at work who's always talking about sex. She thinks she's really saucy and, unfortunately, I have to agree with her. Still, it does annoy me how she's always bigging herself up so one day, when she was relaying her latest sexcapade, I decided to have a little joke with her just to see how she took it.

"I envy you," I said. "I wish I could enjoy sex as much as you do, but unfortunately I can't."

Debbie asked me why not so I bullshitied her that I couldn't cum. She didn't believe this for a minute but I insisted it was true.

"I've never been able to. I can do it when I wank, but no girl I've ever been with has ever made me blow."

"You've obviously been going with the wrong girls," she said with some confidence, adding, "if I was to fuck you, bet I'd make you cream in seconds."

I told her that I seriously doubted that.

"You ain't as sexy as you think. I don't mean any offence by this but you don't even give me a hard-on."

Debbie went away in a mood and didn't speak to me for the rest of the day, which was the general idea, but at ten to six she called me up and asked if I'd stay behind after everyone else left.

I figured she wanted to straighten out our little row but instead she insisted on being allowed to try and make me cum. I almost laughed at her proposition, and was just about to level with her when I came to my senses and told her to go for it.

Debbie unbuckled my belt and slipped me out of my trousers and pants so that my cock hung before her.

She cradled it gently and rubbed her hands

up and down my prick and instantly it started to rise. Debbie continued stroking it with her heavenly touch until it was rigid in her palm.

"Don't even give you a hard-on, huh?" she said triumphantly, tugging on my meat as she stared up at me.

"Oh, don't stop that," I pleaded with her and she promised she wouldn't and began pulling on it even harder. I felt my cream quickly start to rise, but I slammed the brakes on and held off for as long as possible, eager to see just how far she'd go.

Debbie rubbed three fingers of her other hand behind my balls in an effort to make me blow but I managed to hold fast, so she decided to try something else.

"I'm going to suck you for a little now," she told me, then slipped her hot, wet mouth over my dick, enveloping my prick with warmth, and making me twitch a couple of times.

She held me by the root and slowly slid her mouth up and down my pole as I tensed

every muscle in my crotch, but Debbie was too good. Her silky skills, coupled with the little whimper she made each time she pulled me into her mouth had my balls tightening in no time.

I could feel my pre-cum gently trickling into her mouth and Debbie picked up the pace, sucking me harder and tugging on my root.

I knew this was it, especially when she replaced those same three fingers between my legs, but I managed a few more seconds

of restraint, just to make sure the load I gave her was a whopper.

When Debbie sensed I was there she looked up at me and managed to smile, despite my cock still being in her mouth, and a moment later I was gushing all over the back of her throat.

I shot so much spunk into her that I completely filled her mouth, though Debbie countered this by swallowing quickly, so that only a few residuals remained when she opened up to show me.

"Tastes like cum to me," she said triumphantly. "Just goes to show what an experienced mouth can do."

"What? Oh no, I think you must've misheard me," I told her. "I said I've never been able to cum twice in one night."

"That's not what you said you liar," Debbie gasped, but I'll tell you what, she proved me wrong again.

Mark, London.

#### DIAL 'P' FOR PUSSY

I recently took a temp job talking dirty for an

adult phone line company. I have a naturally filthy mind, so I figured the work would be fun.

We were given scripts to read to the callers, but told we could make it up if we felt the urge. "Just make it filthy," was the only proviso.

In the booth across from me was Diane. We'd started at around the same time and had become friends, sharing breaks and going for drinks after work together.

One evening Diane asked me if I ever got turned-on saying the things we had to say. I confessed that I did, and we then spent the evening getting pissed and swapping dirty lines.

The next day, while I was taking a call, I looked over at her and saw Diane facing me. Normally we were usually hunched over our work places reading from the prepared texts, but Diane was looking straight at me and rubbing herself all over.

I swung my chair around to face her to and we looked each other straight in the eye as we talked dirty to our respective callers.

**"She held me by the root and slowly slid her mouth up and down my pole as I tensed every muscle..."**

"I want you to suck my pussy," Diane said, and ran her tongue around her lips.

"I want to feel you inside my tight arsehole," I told my caller, and Diane raised an eyebrow.

"Finger me, fuck me, suck me, just let me sit on your face and cum in your mouth," Diane replied and I felt a hot flush all over that took my breath away.

We talked like this to each other for several minutes, the pair of us getting filthier and filthier with each other as our calls went on before finally I was no longer talking to my caller.

"I'm so fucking desperate to taste your cum," I told Diane, and I could hear my caller climaxing in my ear.

"You want to do it? Do it for real?" she asked, opening her legs and rubbing the front of her panties with three fingers right in front of her.

"Oh fuck yes," I said, pulling my knickers aside to reveal my swollen cunt.

Diane pressed the disconnect button and tore her headset off, and I did the same.

We still had ten minutes before our break but we just couldn't wait. We slipped into the ladies' together and found a cubicle and got straight down to it.

Diane gave me the briefest of kisses before pushing me back into the seat and pulling my legs up around her shoulders.

My panties were wringing wet and they hit the floor a second later. Diane slotted two fingers into my cunt and rubbed my clit with her thumb as she nuzzled my cleavage. I unbuttoned my top and pulled down my bra and Diane's mouth latched onto the first nipple to pop free.

She swirled her tongue around my tingling bud and pumped my cunt with her fingers as I cried in delight.

"Lick me. Lick my cunt," I whispered as she fucked my sticky cunt with hard, deep thrusts. No sooner had I said it than Diane was on her knees with her face pressed between my legs.

She used her whole mouth on my gaping sex - her lips, her tongue and her chin, and she circled my clit with her nose as I rubbed my sex into her features. I watched her with filthy fascination as she feasted on my pussy and I moaned with satisfaction as I pumped cum all over her plunging tongue.

My climax spurred Diane on and she sucked on me until I doused her mouth a second time, this time accompanied by wails of ecstasy.

Diane stood up and mashed her wet cunt into mine until the pair of us had milked every last drop of cum onto the other's body.

Diane lay on top of me, breathless and shivering, so I gave her a kiss. I tasted my own sweet pussy on her face and tongued a few dewy drops from her chin and she purred with delight.

"We should do this again," Diane said.

"Definitely," I agreed. "Just give me a call."

#### A MOVING STORY

One of my best friends from across the street told me he was moving house. I was really upset at this because we'd grown close over the last couple of years and now he was leaving.

There had always been a little spark between us but neither of us had ever done anything about it because we were both married. Now, I thought, I might never get another chance, so I decided to satisfy my curiosity before it was too late.

I invited Matt over a few days later on when I knew his wife was at her evening classes and my husband was playing five-a-side.

We sat down and had a nice meal together and I told him how much I was going to miss him. Matt seemed to find this amusing and I sensed he was thinking exactly what I was thinking so I got up from the my seat and straddled his lap.

"What are you doing?" he asked.

"What do you think I'm doing? I don't want to say good-bye before I've had you inside me," I told him, and wiggled my crotch against the lump in his trousers.

Matt kissed me on the mouth and asked if I was sure about this, so I told him to check and see if I was wearing any panties, then

**“My pussy dribbled around his root, filling the kitchen with the smells of sex.”**

I rubbed my tits into his face and Matt clamped his mouth around one of my rubbery buds and puled at it with his lips. I moaned with desire as he moved from nipple to nipple and thrust down onto his cock with growing impatience.

“I’ve always wanted to fuck you, Matt. You could’ve had me any time you liked, demanded anything and I would’ve done it,” I told him, a pulse of pleasure gripping my pussy as I confessed my filthy secrets.

“Like what?” he asked, his cock now impossibly hard.

“I would’ve sucked your cock, swallowed your cum, let you fuck me in any hole you liked,” I told him as my orgasm swelled.

My pleasure was heightened by the fact that I knew my husband could come home and catch us at any minute. Just picturing his face as he walked through the door had my cunt spasming with excitement.

Matt turned me around and bent me over the kitchen table and I thrust my pussy back searching for his cock.

He slipped his pecker back inside me and fucked me hard, holding my hips with his strong hands as he drove into me again and again.

“You’re going to drink my cum,” he told me, a little uncertainly.

“Am I?” I teased.

“Yes, you are,” he said, this time with more confidence.

He started to grunt and groan now and I could feel his prick twitching inside my depths.

“Oh fuck yeah,” he suddenly groaned, slamming into me quicker and quicker. I pushed him away and spun around just in time to catch the first streak of hot sperm in the face. I closed my lips around his tool as the rest spurted out and gulped it all down as he pumped hot cum across my tongue.

“Delicious,” I said, when I finished licking the end of his dick.

Matt told me that he was extra keen to cum in my mouth because his wife wouldn’t let him do that, so I said it was a pity he was moving away, I would’ve let him do it any time he wanted.

At this Matt laughed and confessed; “We’re only moving three doors up, to the house on the corner. I’m sure we’ll still get to see each other from time to time.” And we do! Jean, Swindon.

make up his own mind

Matt pushed my skirt back and saw my neatly shaven slot pressed against the front of his trousers. I was so wet that I was marking his trousers with my juices, so I told him to get them off and slide his dick inside me.

Matt kicked off his shoes and trousers as I pulled my dress over my head. A few seconds later and we were back in the same position, only this time neither of had a stitch on

Matt’s dick was big, hard and rigid, and I rubbed my pussy up and down its length to get it all slippery before positioning myself over it.

My pussy lips parted as they pressed down against his smooth tip and his cock quickly surged up inside me. The more I relaxed, the deeper his shaft buried inside me until all eight inches were hard inside my cunt.

My pussy dribbled around his root, filling the kitchen with the smells of sex as I slowly ground my clit into his stomach.

Matt gripped my arse and rocked me backwards and forwards onto his cock, driving himself into me again and again as I hung around his neck.

# Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal.

## APPLIANCE COMPLIANCE

I've been seeing this girl for about a month now and she finally let me into her confidence and showed me her cache of vibrators. Vanessa must've had half a dozen of them and they came in all shapes and sizes.

She told me she'd always wanted to lie back with her legs open and let a guy use them all on her, then did precisely that and told me to go for it.

I didn't need a second invitation and stripped off beside her so that we were both naked, then sorted through a few of her toys and stroked the first up between her legs.

Vanessa giggled with delight as I stuck it in and brought her knees up so that her pussy cracked wide open for me.

I fucked her nice and steady with the toy and made it buzz at different speeds as I stroked it in and out of her hole. I turned another one on and tickled it around her nipples, and pretty soon her playful giggling had stopped.

Vanessa began thrusting back against my hand and murmuring obscenities as I traded in the first dildo for a slightly larger one and fucked her even harder with it.

My cock stiffened like a board watching her writhe on the bed and she sought out my erection with her foot and massaged it with her toes as I brought her to her first noisy climax.

It was this moment when I noticed one in particular. It looked like a fork with two fat prongs and it didn't take me long to work out where the second prong went.

I picked it out and dipped the first prong into her cunt to oil it up then I moved the whole thing down and pressed it against her arsehole. Vanessa gasped and pulled her legs back to her chest, opening herself up so that I could push in both prongs.

She wailed as the toy sunk into her but she took the whole length so that both her holes were packed with

cock – albeit plastic cock.

"Oh fuck yes!" she cried as I stroked them in and out of her and she rubbed my cock with her foot to the point where I was ready to blow my load all over her toes.

But that would've been a terrible waste. I didn't know Vanessa took it in the arse and I'd never before tried it with her. Now that I saw that she did, I was going to take full advantage.

**"I stabbed her with my dick again and again and she moaned beneath me..."**

"You like that in your arse, don't you?" I baited her. Vanessa moaned that she did so I asked her how she'd like my cock in there instead.

"Oh yeah, do it," she told me, so I pulled the two-pronged vibrator out of her and knelt between her legs. Vanessa stayed on her back with her knees tucked into her chest and I rubbed my prick up between her cheeks.

She looked so fucking horny and wanton like this that I almost sprayed her with cum before I'd even got my cock inside her. I pushed my helmet against her rear and pulled myself in the rest of the way with her legs. Vanessa

howled as my stiff cock drove into her lovely tight arse and I flexed it inside her once I was all the way inside.

"You dirty bastard," she shouted at me. "You filthy dirty fucker. Do it. Fuck my arse!"

I leaned into her and did just that. I stabbed her with my dick again and again and she moaned beneath me so that after only a few seconds I felt her squirt all over my stomach.

She was so clammy and her pussy so wet that the pair of us slipped and slid all over each other as I drilled her arse for all I was worth.

"Fuck! Fuck! Fuck!" she gasped with every stroke and her eyes screwed up tighter than her bumhole. I started imagining how my spunk would look in her mouth and a moment later my cock started to twitch frantically inside her.

"I'm gonna cum, I'm gonna cum," I moaned and Vanessa opened her mouth nice and wide, almost as if she'd read my mind.

I pulled my dick out of her and straddled her face just as I started shooting my cream. I

“

**Vanessa howled as my stiff cock drove into her lovely tight arse and I flexed it inside her.”**

splattered her outstretched tongue, losing my entire load down her throat and when I was done she guiped it all down and licked her lips clean.

“Fucking outstanding!” she told me, tonguing the last few drips from the eye of my cock. She had that right!  
*Toby, Swindon.*

## A SAD SAD TAIL

I dated a guy for about a year and he always wanted to try anal with me but I wasn't keen. Karl was pretty persistent however and bought magazines, DVDs and even a dildo to get me interested but I resisted all attempts.

Then, a couple of months ago, I stuck on one of the DVDs, just out of curiosity, and was blown away at how filthy it was. The more I saw the more curious I got and I even began experimenting, rubbing my fingers against my bumhole before trying a couple inside. They didn't feel as uncomfortable as I thought

they would so I dug out the dildo and carefully slotted it home. It felt enormous at first, too big to fuck myself with, but I practiced with it for a few weeks so that I could surprise Karl on his birthday.

Unfortunately our relationship didn't last that long and we split up. This had nothing to do with our sex life though ironically I was the one left feeling deprived.

I masturbated like crazy as I fantasised about Karl giving it to me in the arse.

After weeks of frantic frigging I realised I needed to satisfy my curiosity once and for all and set about finding someone who'd help

Adam was a friend from work so I got all dressed up and called at his apartment. He invited me in and ran his eyes up and down

my legs.

"What's with the get up?" he asked.

"I wanted to look nice for you," I admitted, giving him a flash of my stocking tops.

"Why?" he asked.

"I need you to do me a favour."

I explained my request (with the help of a couple of drinks) and asked if he'd stick his cock in me, just a couple of times, to show me what it was like.

"I'd consider it a personal favour," I told him and bent over in front of him to let him examine my arse.

Adam ran his hands all over my pert round buttocks and stroked up between them, before giving my bumhole a little rub. I clenched my teeth as he applied a little more pressure then I felt him pull my panties down over my thighs and kiss me on the buttocks.

"You really want me to do this?" he asked as he stared at my arsehole in wonder.

"So much so," I replied, chewing my lip and trembling with anticipation. My pussy was saturated and my arsehole quivering. When I felt the tip of his tongue run between the two I began to climax immediately.

"Oh fuck! Oh God!" I groaned as my pussy went into spasms. I was so turned-on at that moment that just the prospect of getting a big hard cock in the arse and the merest of touches was doing it for me.

Adam brushed his wet cock across my cunt before finally pinning it against my anus.

I readied myself to take it all and told him to do it, then felt him lean into me. My sphincter suddenly expanded like I couldn't believe and a great thickness of meat surged inside me.

I screamed into the back of my hand as he plunged into me further and screwed my eyes up tight as he pulled on my hips.

The dildo had felt nice and easy inside me when I'd fucked myself with it but Adam wasn't half as patient as I'd been. He punched his dick in and out of my back door as he fed me his length and only stopped once his balls squashed up against my pussy.

"Are you in?" I asked, panting for breath.

"All the way," he replied.

I couldn't believe how fat he felt, and how much he'd filled me up! I was losing my anal cherry and it was intense. But I was liking every second of it.

**"I felt so filthy and hard-core, just like girls in those dirty anal movies..."**

Adam withdrew just a few short inches then pushed back inside. I gasped as he refilled me and tried to cling onto his cock with my arse but Adam pulled out again and stroked back in.

"Take it bitch!" he grumbled, driving into me again and again as he nailed me against the couch.

I felt so filthy and hard-core, just like girls in those dirty anal movies Karl had bought me. "Give it to me, give it to me! Fuck me harder!" I demanded, thrusting back against him and taking everything he had.

I wanted him to fill my arse with spunk but he had other ideas and pulled his cock out of me. After giving it a couple of strokes he shot a long arc of sticky come all over my back and bum.

It was an unbelievable experience and I let Adam fuck me again the next night when I asked what he wanted for doing me this favour. Poor old Karl, if only he knew what he missed out on.

**A**ll out white can sometimes feel a bit like a bridal night, but with Lucy, I think we can safely set that aside, as she feels our heads with thoughts of wild rides in the great outdoors.

"I just love having fresh air on my

pussy and then a cock sinking into my juices. It's really quite thrilling and worth all effort and sneaking around. Although that just adds to the fun."

I think anyone of us would be happy to follow our doctor's orders and get more fresh air if Lucy was involved.

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## BACK-FIRED!

Drinking at her local bar. Mary Jagers, 58, claimed to want all the patrons arrested for intoxication in order to stop people drink driving.

During the investigation, the police discovered a twist in the form of hydrocodone, also charging Jagers with drug possession. The Judge advised her to stay away from Artie's bar and alcohol in general. Good advice...

## GUILLOTINE!

Ever tried jousting with a dildo? Neither have we, but clearly, these two feel a fight is not a fight without a sex toy skirmish. Lakenya Bristol accused her ex-girlfriend, Regina Watts, of decapitating her favourite toys. Bristol was arrested in mid-November for domestic violence, shortly after Watts packed Bristol's possessions and told her to leave. Later, when going through her belongings, Bristol reported that the heads had been cut off her three dildoes. Indian River Investigators are halting their probe due to lack of evidence.

## PARCEL POOP!

Today's job market is over-crowded and competitive but a 58-year-old St. Louis man thought it was just plain crap. Jevons Brown reportedly sent packages of cat's mess to his prospective employers via U.S Mail, one can only assume as a literal interpretation of how he felt. The packages were traced, and Brown received two years probation, as he had no former record. This sheds a whole new light on the ethos 'Waste not want not'.
